

Antepsin™ (sucralfate) 1g/5ml Oral Suspension and Antepsin™ (sucralfate) 1g Tablets Supply Shortage – Statement of Restricted Use 21st November 2016 (UK only).

Chugai Pharma UK Ltd regrets to announce that Antepsin™ 1g/5ml Oral Suspension (PL 12185/0010) and Antepsin™ 1g Tablets (PL 12185/0008) are currently out of stock due to a manufacturing problem.

Although, we are working with utmost urgency with our suppliers to resolve this problem, at this stage we are unable to provide the availability date for this product.

We advise that patients are not initiated on Antepsin and other suitable alternatives be sought.

An alternative supply of sucralfate tablets may be available from Idis pharma, for further information or to place an order please contact Idis pharma directly using the following details:

Telephone 01932824100
Fax 01932824300
Email uk@idispharma.com

Chugai Pharma UK Ltd are no longer able to fulfil orders on a patient prescription basis, please do not email or fax details.

We apologise for the disruption caused during this time and continue to do everything possible to resolve the situation as quickly as possible.

If you require to talk to a member of staff in an emergency, please contact **0208-987-5600 (within the hours of 9am to 5pm)**. Please note we are not able to provide information on alternative products or provide any further update on timings other than those included in this message.
